**KYLE VENABLE**  
President & CEO

Allied Cyber Solutions unites industry-leading frameworks—NIST, ISO, SOC2, CMMC, DFARS—with modern, scalable, mission-driven solutions that rise above product-centric approaches. Our team turns complex security needs into clear, sustainable strategies that strengthen resilience for the long term.

## CORE SERVICES

### CYBERSECURITY

Governance, policies, audits, risk assessments, and incident readiness.

### ENTERPRISE IT

Strategic IT planning, security, integration, and delivery.

### VIRTUAL CISO (VCISO)

Executive-level leadership guiding compliance, security, and board alignment.

### DATA ANALYTICS

AI-powered insights, clear operational dashboards, and smart automation.
